OLD SETTLERS REUNION FRIDAY

All eyes of the old timers will be turned towards Lake Eanes Park, Comanche, Friday, August 14, when people from all parts of Comanche County and from many other sections of Texas and even from other states, will gather for the Comanche County Old Settlers Annual Reunion.

The crowd, however, will by no means be limited to the old people who will be honored guests of the occasion, but citizens of all ages, both from within and out of the county, are invited and urged to be on hand to show appreciation of the oldsters and to enjoy and take part in the program.

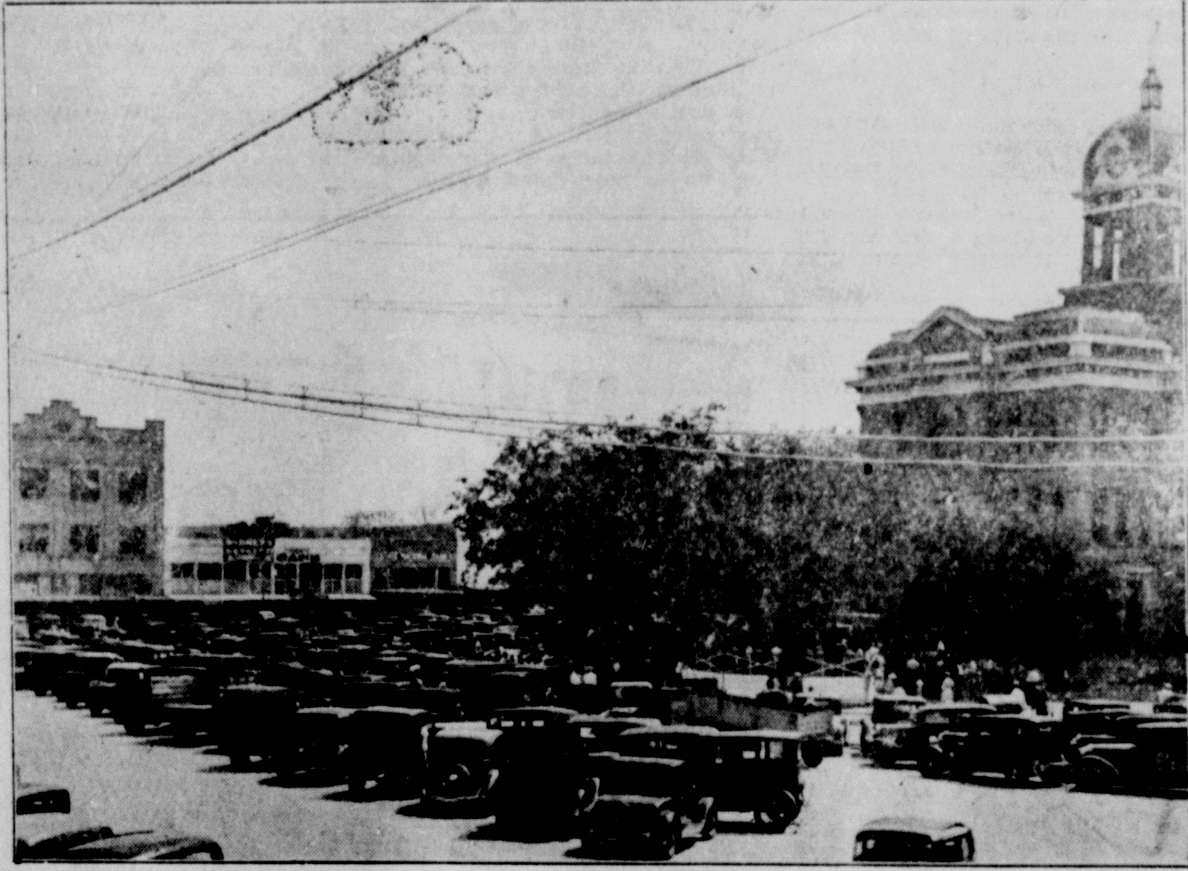

The program, published elsewhere in this issue, will begin at 10 a.m. and continue through the afternoon. A basket dinner and free meat, bread, and drinks will be a feature at noon.

There will be plenty of ice water on the grounds, and seats under the tabernacle.

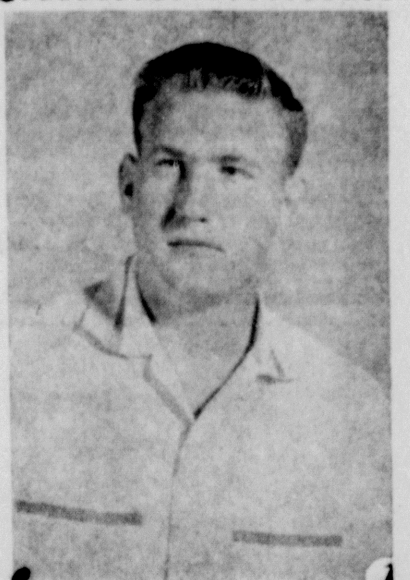

All the old pioneers who helped organize the reunion a half century ago have gone on to their reward. Even some of those who were youngsters at that time, such as Jim Eanes, Bob Luker, Mrs. Larry Kittle, Mrs. Eulalia Nabers Wells, and D. E. (Darroll) Nabers, who later were leaders of the organization, also have finished their earthly work but have left their footprints in the sand of time.

Singing to be Feature

A varied and interesting program including a contract between the old and the new in the education field has been arranged; and a special feature will be a singing, for which Comanche County long has been famous. The singing will be under the direction of President Charley Marshall of Van Dyke. Let all, who can, go out and help make the reunion a success and a pleasure to all who attend, both young and old.

NEW HIGHWAY PATROLMAN
—David O. Coffee, 22, who has recently completed his schooling with the Texas Department of Public Safety, has been assigned as the second Highway Patrolman for the Comanche station. Recruit Patrolman Coffee has joined Patrolman W. H. Long in operation of the station here. Long has maintained a one-man service here for the past 18 months. Mr. and Mrs. Coffee and their 6-month-old baby are now at home at the Williams Apt. in the Petsick Addition.

Registration In Comanche Schools Start August 17

by J. E. Lightfoot, Principal
Comanche High School students will get their schedules and books on the following days:

Seniors: Monday, Aug. 17.
Juniors: Tuesday, Aug. 18.
Sophomores: Wednesday, Aug. 19.
Freshmen: Thursday, Aug. 20.

All students are requested to be at the High School on above dates starting at 8 a.m. You made out your list of courses last spring. We warned you to be careful and list those courses you wanted. I have taken your list and made out your schedule.

The classes are as well balanced as we can get them. Students will not ask to take courses that were not listed on your card. This would completely ruin our overall schedule. No changes will be made unless they are absolutely necessary.

Seniors must have eleven credits. Juniors must have a least seven. Sophomores must have passed at least three courses last year. Do not come to register until your class is supposed to be registering. Just the fact that you were classified as a Junior last year doesn't mean that you will be a Senior this year. You

must have passed enough work to be able to graduate this year. This applies to all grades. If you come out of turn, we will have to ask you to come back at the right time.

The following teachers will help as designated. Please arrange to be present until your day is over.

Monday: Ross, Curry, and Eades.

Tuesday: Pamler, Rea, and Lightfoot.

Wednesday: King, Boyd, and Dean.

Thursday: Werner, Newton, and Dunn.

The three football coaches will

be working and will be excused from registration duties. Miss Dunn will be working for Miss Hattie Brightman. If everyone cooperates, our job will be much easier to complete.

Superintendent S. H. Fletcher announces that Junior High School registration, for 6th, 7th, and 8th grades will be on Friday, August 28, starting at 1 o'clock. He reminds students to be sure to bring pencils and other supplies needed in registering.

There will be no pre-school registration in J. B. Layne Elementary School, with the exception of those entering the Comanche school system for the first time. Superintendent Fletcher points out that first graders who registered last spring need not come, but others, in Grades 1 to 5, are to report on August 27.

Mrs. Joy Riddies and children of Shreveport, La., have returned home after visiting with her mother, Mrs. Nora Gordon.

J. W. Morrison Dies At De Leon

John W. Morrison, 91, resident of the De Leon area most of his life, died Monday, August 10 in a Dublin hospital.

Before moving to Comanche County, Mr. Morrison had resided near Woodson.

In addition to his widow, Mr. Morrison is survived by a son, Billy Morrison of Arkansas, and a daughter, Mrs. Cleo Cox of Houston.

55 EXPECTED AT OPENING GRID WORKOUTS MONDAY

Approximately 50 to 60 Comanche High School grid hopefuls are expected to report Monday morning, August 17, to Comanche's all-new four-man coaching staff for opening '59 season workouts.

The Indians, members of District 8-AA, composed of De Leon, Hamilton, Dublin, Granbury, and Comanche, have 10 returning lettermen and a good bunch of boys coming up from the "B" team.

Comanche had a 3-1 district record last season for a second place rating in 8-AA standings, and a 6-4 won-loss record for the season.

The Indian grid staff is headed by Robert E. Lee, former University of Texas All-Southwest Conference guard, who was an assistant coach of the Amarillo Sandies last season.

Lee is supported by three assistant coaches, including James Moffett, a former team-mate of Coach Lee's at Texarkana High School and at the University of Texas. Moffett is a three-year letterman at the quarterback post for the Longhorns. He is also one year out of the University, and was junior high school coach at Gladewater last season.

Ray Smith, graduate of Austin College, Sherman, and a high school and college basketball star, is to head the CHS cage program and assist in football and track. Smith coached the Austin College freshmen last season, while working toward his master's degree.

Kenneth McNutt, former Comanche athletic star and a graduate of Howard Payne College, will direct the Junior High School athletic program. McNutt will work with the high school teams until first Junior High practice is scheduled—August 31.

Get Early Start
Comanche's youthful team of coaches call the opening practice session for 6 o'clock Monday morning. Workouts will be

Singing Meet Set At Freewill Church

There will be a singing meet at the First Freewill Baptist Church, Comanche, Sunday afternoon, August 16, starting at 2 o'clock.

DAIRYMEN MEET TUESDAY

The Comanche County Dairy Association will hold its annual meeting at Lake Eanes Park on Tuesday night, August 18. An old fashioned Comanche stew is to be served.

The meeting will begin at 8 o'clock.

All dairymen and their families are urged to attend.

"There's to be a program of fun and entertainment, planned by Porter Franks, who is program chairman," Association President Bill Lane announces.

The food committee is composed of G. R. Hawkins, J. M. Foreman, and Belve Bean. The grounds and tables committee chairman is Robert Williams.

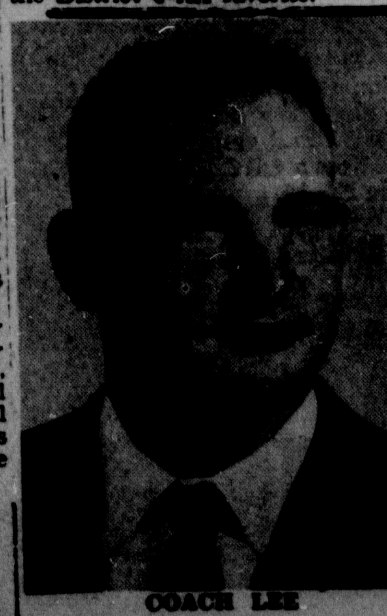

Mr. and Mrs. J. G. Davis and Miss Vesta Davis left Sunday for a vacation in Racine, Wisconsin.

Mike Murphy Undergoes Surgery

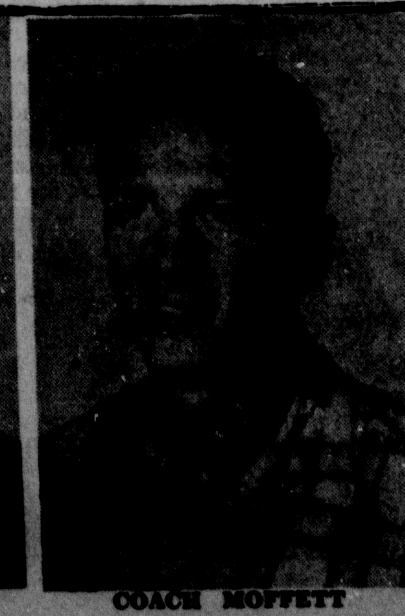

Mike Murphy, former Comanche athletic coach, who is now head mentor at Castleberry, AAA school in Fort Worth, underwent emergency surgery for removal of a blood clot in a leg, at the Methodist Hospital, Houston, last week.

Coach Murphy, who is now reported to be making satisfactory recovery, was in a critical condition for a time last week.

R.E.A. BEAUTY QUEEN—Attractive Miss Peggy Jean Ellis, daughter of Mr. and Mrs. J. C. Ellis, of Newburg, reigned as Beauty Queen at the 21st Annual Meeting of the Comanche County Electric Cooperative here August 3. Runner-up in the contest was Miss Kay Howard, Brownwood, and third place winner was Miss Linda Ann Nabors, De Leon. Miss Ellis, 16, is a Comanche High School junior and will represent the local Cooperative at the State Beauty Contest in which Miss Rural Electric will be named, at Houston, August 26-27.

LIVESTOCK ASSOCIATION PLANS ANNUAL MEETING

by Angus Dickson, Jr.,
County Agricultural Agent.

The annual meeting and big barbecue of the Comanche County Livestock Association is all set for Friday night, August 21, at Lake Eanes Park, south of Comanche.

According to Elton Dudley, president, "The business meeting will start at 7:30 p.m. with the barbecue and program following."

One of the highlights of the program will be the latest colored film on the use of systemic insecticides for controlling cattle grubs.

The Twenty-Fifth Annual Comanche County Junior Livestock Show has been set for January 22-23, 1960 with new divisions in Beef Heifers, Dairy Heifers, and Breeding Sheep and Goats.

A partial list of show officials appointed by Livestock Association officers include: D. F. Caraway, Comanche, General Superintendent; Jess Hanson, Proctor, Assistant Superintendent; Roy Davis, Proctor, and Homer Miller, Lamkin, Building & Grounds Superintendent; Morris Dean, Comanche, Judging Contest; Percy Parsons, Comanche, Fat Steers; Gus Wilhelm, Harmony, Fat Lambs; Elaine Whaley, De Leon, Fat Barrows; Elton Dudley, Mercer Gap, Beef Heifers; C. B. Williams, Fairview, Dairy Heifers; and Gayle McCullough, Newburg, Breeding Sheep.

Ira Clemons, chairman of the Membership Committee, urges everyone interested in the Junior Livestock Show and the Comanche County Livestock industry to contact members of the membership committee before the annual meeting or at the barbecue. Herbert Goodson, John Burton, and Mrs. Bernice Swindle, along with Chairman Clemons, make up the membership committee.

Local Option Election At Priddy Sept. 5

Application for the petition was accepted by the Mills County Clerk's Office on August 6. Of the 110 qualified voters in precinct, 75 signed the petition. The ballot on September 5, will read: "FOR legal sale of all alcoholic beverages for off-premise consumption only" and "AGAINST legal sale of all alcoholic beverages for off-premise consumption only."

Priddy is located 18 miles south of Comanche on Highway 16, just over the Comanche County line. It has been dry since 1903.

MISS QUAY WILLIAMS HONORED WITH PRE-NUPTIAL PARTIES

Miss Williams, daughter of Mr. Herbert Williams, and bride-elect of Clifford Williams, of Comanche, has recently returned from a series of parties. Miss Williams will be married at the First Baptist Church in Comanche.

On Saturday afternoon August 1, Miss Williams was honored with a party at the home of Mrs. Gail Williams. The party was given by Mrs. Gail Williams, Mrs. Harold De Leon and Mrs. Margaret McCall of Comanche. The guests included her mother, Mrs. Gail Williams, her mother-in-law, Mrs. Clifford Williams, her sister, Margaret Williams, and her brother, John Williams. The party was a success and the bride-elect was very happy.

On Sunday afternoon August 2, Miss Williams was honored with a party at the home of Mrs. Gail Williams. The party was given by Mrs. Gail Williams, Mrs. Harold De Leon and Mrs. Margaret McCall of Comanche. The guests included her mother, Mrs. Gail Williams, her mother-in-law, Mrs. Clifford Williams, her sister, Margaret Williams, and her brother, John Williams. The party was a success and the bride-elect was very happy.

Mrs. Clyde Silvus and Mrs. Hulan Black of Austin entertained Miss Williams with a brunch at the Austin Westwood Country Club on Saturday morning August 1.

Out-of-town guests attending included the honoree, her mother, Mrs. Gail Williams, and Miss Julia Dudley of Comanche, Mrs. Bob Silvus of Houston, Mrs. McCall and Margaret McCall of Victoria. The 40 guests were served coffee, fresh fruits, sausages, creamed chicken in patty shells, cinnamon buns, and blue berry muffins. The refreshment table was covered with a white cloth draped with green and centered with an arrangement of yellow marguerites and yellow and white California daisies.

Mrs. W. O. Gustafson, 1800 Schulte, Austin, Texas entertained with a "hen party" and a kitchen shower. She served coffee, and cakes to 18 university classmates of the honoree and her mother.

Miss Ann Chiles, the honoree's sorority little sister, entertained with an informal afternoon party at her home at 2304 Woodlawn, Austin. Co-hostess was Miss Jean Burke Rogers, Miss Williams' roommate at the University. Thirty classmates called and were served dips, cheese balls, and Harvard tea.

Minnesota Visitor
John Jolink returned home Wednesday after a short visit with his father and other relatives in Minnesota. Mr. Jolink, who returned home by plane, made the trip to Minnesota with Mr. and Mrs. Cleve Callaway, who are visiting in St. Paul.

Studebaker Car Sales Show Gain

SOUTH BEND, Ind., July 23—A profitable second quarter, built upon sale of its convenience-sized Lark, resulted in net earnings of Studebaker-Packard Corporation of \$12,073,281 in the first six months of 1959.

President Harold E. Churchill announced that sales amounted to \$209,816,771 for the first half year, up 197 per cent over sales of \$70,681,152 in the similar six months a year ago.

Sales in the second quarter of 1959 totalled \$94,360,965 and earnings \$4,313,290.

Sales of 1959 model passenger cars since introduction through June 30 totalled 126,256 units, 124 per cent greater than all of Studebaker-Packard's passenger car sales during the entire 1958 model year.

"Studebaker's small, practical car, the Lark, has been responsible for the substantial gain in sales," President Churchill observed. "A year ago its reception among buyers was yet to be tested. The Lark is now an accepted product with the auto buying public. Our dealers report that operating economy, ease of handling and interior roominess have been the biggest selling features of the Lark."

Ronnie Scott With Seventh Fleet In Western Pacific

WESTERN PACIFIC (PHNTO)—Following a recreational cruise in the Japanese Inland Sea from July 23-30, Ronnie L. Scott, fireman, USN, son of Mr. and Mrs. H. T. Scott of Rt. 1, Comanche, aboard the attack aircraft carrier USS Lexington, has returned to duty with the U.S. Seventh Fleet in the Western Pacific and continued participation in this summer's Far East midshipman training.

During the nine-day inland sea voyage, two ports-of-call were visited.

Iwakuni, the first, afforded tours to Hiroshima, nearby national parks, beaches and natural hot springs. Beppu, on the island of Kyushu, presented famous resort hotels, mineral spring baths, tours of volcanic deposits, golf courses, swimming, boating and the unusual "Furosan Bath," which consists of laying under a layer of steam-heated sand.

Field Tour Set August 21 On McDonald Farm

The Upper Leon Soil Conservation District will hold a field tour on the Buster McDonald farm, 6 miles east of Comanche on Highway 36, Friday, August 21 at 2 p.m., according to W. J. Pritts, local supervisor.

McDonald has been cooperating with the district since August 1951. He has made many changes in his farm and his methods, says Pritts.

The main subjects of observation are 25 acres of Coastal Bermuda sodded this spring and peanuts planted in 23-inch rows. McDonald's peanuts produced 106 bushels per acre last year where his new operations were used. Fertilizer was applied with a drill before the cover crop was destroyed. The cover crop was cut three times with a tandem. The peanuts were planted three rows at a time as the rows were laid-off.

A rotary hoe and rod weeder were used to till the crop. The field now looks like a broadcast crop of peanuts.

The 25 acres of Coastal Bermuda was grazed with 90 head of livestock 75 days after sodding, for 18 days, then rotated to sudan grass for 15 days then back to the Coastal where they will be during the tour.

Everyone interested in peanuts or Coastal Bermuda, is invited to attend.

They're together and nothing can tear 'em apart!

OPEN 7 DAYS A WEEK

Miss Joyce Scott Weds Weldon Lacy

Miss Joyce Scott of Wichita Falls and Weldon Lacy of Olney exchanged marriage vows in a double-ring ceremony at 7 o'clock Thursday evening, August 6, in the chapel of Floral Heights Methodist Church in Wichita Falls, with Rev. G. P. McCollum, associate pastor, officiating.

Parents of the couple are Mr. and Mrs. James Scott of Wichita Falls and Mr. and Mrs. J. B. Lacy of Comanche.

White gladioli, green stock, candelabra holding white tapers, an altar accented by a gold cross and a white satin kneeling pillow formed the nuptial setting. Mrs. Febe Garcia of Wichita Falls, organist, played traditional wedding music during the ceremony and accompanied Miss Ernestine Friederickson of Fort Worth as she sang "The Lord's Prayer" and "Benediction".

Escorted by her brother, John Scott of Wichita Falls, the bride wore a street-length dress of mauve all-over lace over taffeta, designed with three-quarter length

th sleeves, rounding neckline, tight-fitting bodice and flared skirt.

The bride wore a single strand of white baby pearls and earrings mauve falling from a mauve net circlet covered with tiny pearls and rhinestones. Her teardrop-shaped bouquet was a large orchid surrounded by shattered white chrysanthemums and white pearls mingled with ribbon.

The maid of honor, Miss Lisa High of Wichita Falls, wore a street-length dress of mint green all-over lace over taffeta, fashioned with cap sleeves. She wore darker green shoes and a large flat bow of darker green ribbon at the back of the head. Her corsage was of orchid pom-pom chrysanthemums.

Jerry Strong of Wichita Falls served as best man and Bob Myers of Olney and Raymond L. Scott of Fort Worth, brother of the bride, were ushers and candle-lighters.

The bride's parents entertained with a reception in the Wesley Foundation center at Midwestern

University. The table was covered with a white organdy cloth with ruffled skirt extending to the floor, tucked with bows and streamers of mauve and mint green ribbon. The table held mint green tapers in cut glass holders surrounded by orchid pom-pom chrysanthemums and a three-tiered cake decorated with mauve rosebuds and green leaves and topped with a miniature bride and groom.

Mrs. Elaine Talley and Mrs. Jo Ann Rotert of Wichita Falls served cake and Miss La Vetta Roberts of Lawton, Okla., poured punch. Miss Wagona Lawson of Graham presided at the bride's book, and other reception assistants were Misses J. M. Scott of Wichita Falls, J. C. Scott Jr. of Lawton, Okla., R. L. Scott of Fort Worth and A. E. Mercer of Lawton, Okla.

A graduate of Wichita Falls High School and Midwestern University the bride was employed before her marriage as a teacher in the Lawton, Okla., public school system. At Midwestern, she was a member of Alpha Chi, national honorary scholastic society; Sigma Delta Pi, national honorary Spanish society; and the Student National Education Association. She was elected to Who's Who among students in American colleges and universities.

The bridegroom was graduated from Comanche High School and the University of Texas, Austin, where he belonged to Sigma Delta Chi, honorary journalism fraternity, and Alpha Phi Omega, national service fraternity. He served in the U. S. Army in World War II.

After a short wedding trip, the couple will be at home at 804½ West Main Street in Olney, where the bridegroom is editor of the Olney Enterprise.

Grows Big Peaches

A sack found recently on the editor's desk contained two of the biggest and finest peaches seen by us this year. Inside the sack too, was a note reading: "To The Editor of The Comanche Chief: 'These fine peaches were grown by Rev. W. H. Matthews, Rt. 1, East Grand, on the edge of Comanche. Such fruit as these ought to make everyone want to come to Comanche County and enjoy the fine fruit.'"

The critic who expects all of creation to fit his views just happened to be born too late.

P. A. Cotten Claimed By Death

Fruitt Albert Cotten, retired blacksmith and local preacher, who resided in the Hasse community for many years before moving to Comanche, passed away at his home here Sunday, August 9. He had been in failing health for some time. He had been a resident of Comanche County for 55 years.

Funeral rites for Mr. Cotten were held Sunday, August 10, at 2 p.m. at the Comanche Funeral Home Chapel, with Rev. L. C. Dodd and Rev. Don Wilborn officiating.

Burial was in Sardis Cemetery, Hasse, with Comanche Funeral Home in charge of arrangements.

Pallbearers were Mr. Cotten's grandsons.

Mr. Cotten was born August 22, 1870 in Coryell County. He was the son of the late Pruitt Edward and Amanda Jane Cotten.

He was married to Miss Emma Jane Brazzel. To this union five sons and four daughters were born. Mrs. Cotten preceded him in death several years ago, and a daughter, Mrs. Lela Mae Preacher, died in 1916. Mr. Cotten was married to Mrs. Lude Bessie McDonald in 1947. She passed away in 1956.

Mr. Cotten is survived by five sons, W. N. Cotten of Comanche, V. L. C. A. and T. O. Cotten all of Hasse, and E. W. Cotten of Rising Star; three daughters, Mrs. Dovie Glover of Amarillo, and Mrs. Susie Henderson and Mrs. Ann Bell Fisher, both of Fort Worth; a step-son, Billy Joe McDonald of Comanche; a step-daughter, Mrs. Katie Totem of Waco; 39 grandchildren, 44 great-grandchildren, and eight great-great-grandchildren.

Presbyterian Notes

"The Enriched Life" will be the sermon topic of Dr. Baxter Greer at the First Presbyterian Church, Sunday at 11 a.m. "Bearing the Marks of Christ" will be the subject at 8 p.m. Special music will be presented at both worship services. Mrs. V. A. Meyers is organist.

Sunday School at 11 a.m. H. M. Cauley is superintendent. The Women of the Church will have a general meeting, Monday morning. Mrs. G. W. York is president.

FROM THE COMANCHE CHIEF
SEPTEMBER 11, 1936.

Coach Glenn Frazier's Comanche High School football team will open its 1936 football season Thursday night, September 17 at Brownwood against the Brownwood Lions. The game will be played in Brownwood High's new football stadium.

With the Brownwood-Comanche football battle imminent, the Indians' outlook seems rather dark. Coach Pat Cagle, former Indian mentor, promises to put the best Brownwood team in recent years on the field Thursday night.

The Comanche football team this season will be led by Captain Tommy Marshall and J. B. Merchant. Eight lettermen will be on the Indian line-up.

Coach Frazier gives his probable starting lineup for the Brownwood game with Merchant at center; Jones and Bear at guards; Coker and Ruth at tackles; E. Pate and Cawley at ends; Tommy Marshall, Charles Marshall, Don Gray and Switzer in the backfield.

Coach Frazier states that J. Pate, Mehaffey, Charles Wetzel, Davis and Huett have been showing up well in practice and are likely to see service in Brownwood. (Editor's Note: The score was Brownwood 18, Comanche 6, with first downs 7 to 6 in favor of Comanche.)

Other teams that will meet the Indians this year are Coleman, Walnut Springs, Hamilton, Gorman, Desdemona, Big Spring, Stephenville, Dublin and De Leon. The general assembly for the opening of the Newburg School will be held in the auditorium at 8 o'clock Saturday evening. The opening address will be by Superintendent E. H. Boulter of the De Leon schools. The three school buses will run their regular routes Saturday evening to pick up those who wish to come by bus.

The Comanche County cotton crop for 1936 is estimated at 4,200 bales, as compared to 7,200 last year, according to Tom Wortham, County Cotton Administrator. The acreage this year shows a decrease of approximately 10 percent according to Wortham, who said that few farmers planted their full allotment under the Government reduction program.

Up to Tuesday morning, 20 bales of cotton had been weighed at the Comanche Cotton Yard. Eight cars of peanuts had been shipped from Comanche up to Monday night. Peanuts were bringing 85 cents per bushel and cotton 12½ cents per pound.

Runeles Palmer, son of Mr. and Mrs. Ed Palmer of Gustine, and a star on the Gustine High School football team for the past two years, is trying out for the John Tarleton College football team at Stephenville.

A good showing was made by the County Sewing Staff at the local Relief Office during August, according to Miss Ethel Wil-

son, manager. The garments made included dresses, overalls, shirts, and underwear. The average cost of the finished garment including material, labor and overhead was 88 cents according to Miss Wilson.

There are now employed in the office 12 women and 2 young girls, working under the N.Y.A. division. The staff is now working on children's school clothes. The garments are to be distributed to relief clients.

Instructions have been received by the local Resettlement Administration office giving permission to grant feed and seed loans to any farmers who are in need because of the droughty conditions existing in this county.

Up to September 10 of this year only 13.27 inches of rain had fallen in Comanche, and Comanche has received more rain than many other parts of the county.

Comanche had her day at the Fort Worth Frontier Centennial Tuesday when approximately 100 local citizens invaded the place "Where The West Begins" to be

smoothest ride!

One of the 7 big bests Chevrolet gives you over any other car in its field

Anyone who's ever taken a Chevy over a choppy country road can tell you how lightly Chevrolet's Full Coil suspension handles rough going—and coil springs never squeak, never need grease! Try this velvet way of going for yourself. Once you do, you'll find your own way of saying what MOTOR TREND magazine puts this way: "... the smoothest, most quiet, softest riding car in its price class." But the happiest part of it all is that this Full Coil ride is just one of seven big bests—all documented by published opinions of experts and on-the-record facts and figures.

BEST ROOM—Official dimensions reported to A.M.A.* show that Chevrolet sedans offer more front seat head room than all but one of the high-priced cars—more front seat hip room (by up to 5.9 inches) than the "other two" of

the leading low-priced three.

BEST ENGINE—Chevrolet engines have long won expert praise from virtually every automobile magazine, and, just recently, Chevrolet received the N.A.S.C.A.R.† Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ECONOMY—A pair of Chevrolet sizes with Powerglide won their class in this year's Mobilgas Economy Run, topping every other full-sized car. And the winning mileage was a whopping 22.38 m.p.g.

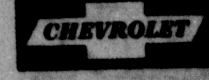

BEST BRAKES—Chevy's bonded-lining brakes are the biggest in their field, built for up to 66% longer life. In a direct competition conducted by N.A.S.C.A.R., Chevy outstopped both of the other leading

low-priced cars in a test of repeated stops from highway speeds.

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST TRADE-IN—Any N.A.D.A.‡ Guide Book can give you the figures on Chevy's extra value. You'll find that Chevrolet used car prices last year averaged up to \$128 higher than comparable models of the "other two." Your Chevrolet dealer will be happy to tell you about a whole host of other advantages besides these seven. Why not drop by his showroom?

Rats--Mighty Expensive Critters Says Texas State Health Department

People who know say a single rat can waste through \$2 worth of dry corn without any trouble whatever, and destroy another \$20 worth in the process.

They're mighty expensive critters to tolerate in town or country, both by virtue of the food they eat and some 27 diseases—including typhus fever and bubonic plague—they are known to spread.

This time of year rats will be in field burrows. Soon though, with rural harvest well underway and cooler weather coming, they'll move into grain bins and feed stacks and buildings where food is stored.

If you're interested in keeping them out of your place, now's the time to formulate a plan to deprive them of food and shelter this winter and avoid a repetition of last year's record-breaking infestation.

Start by burning or piling scrap lumber at least two feet off the ground. Scatter feed stack chaff and manure piles over fields. And keep the inevitable weeds and grass around outbuildings cut so as not to attract rats.

Rats breed so rapidly that mere killing campaigns without accompanying sanitation are worthless. On the other hand, striking reductions in rat populations have been made by rat proofing without killing procedures.

Farm buildings in good repair are seldom infested with rats, so it follows that's the way to keep them. Check to make sure walls are tight and that floors and foundations are crack-less. A strip of galvanized metal three feet or so high, placed around the base of a building will keep rats out—provided they can't get through the floors.

By and large, rats as a group probably prefer grain to any other type food. Which is a good argument in favor of building new grainaries tight and off the ground.

All known rat runs ought to be baited with poison. In one closely supervised campaign, almost 12,000 rats were killed at a cost of about 4 cents per rat. Warfarin bait was used; and the amount required to kill a rat averaged slightly less than a quarter pound.

Other effective poisons are

available but many of them must be used with extreme caution. Persons unfamiliar with rodenticides should get expert advice before attempting to use them. (A feature of the Health Education Division, State Health Department.)

munist coup is a distinct possibility, says the Houston Chronicle.

Mrs. J. G. Bruce, the former Miss Pearl Boyd, formerly of Sidney, a graduate of Comanche High School, who now resides in Lorraine, can be placed in that niches of a former Comanchean now residing elsewhere, who has made an outstanding record in life.

Miss Pearl attended Comanche High School when Miss Oia Cunningham and Minnie Cunningham, ham Klingman were in their prime and were recognized as

among the outstanding teachers of this section. She contributes the inspiration she received from these two great teachers as a great contributing factor to her success as a teacher and youth leader.

A share of the credit also goes to the late Mrs. Larry Kittle who organized the first farm girls' club work in Comanche County. Miss Pearl was one of Mrs. Kittle's outstanding club directors, and coached Katie Helm who won first club prize in the county and went all the way to the State meet, winning first place. Later Miss Boyd coached another

other State winner, Virginia Hall who won first place in declamation in the county and regional meets to qualify for the State Interscholastic League meet at Austin, where she took first place. Virginia is now Mrs. Arlie Carver.

Miss Pearl taught for 28 years in the schools of Comanche County and always was regarded as one of the better teachers. She was one of those unfortunate teachers who retired just at the worst time to get the benefit of any teaching annuity as did many other good teachers who rendered great service for

years towards the advancement of education in Texas. Several years ago Miss Pearl married John Gilbert Bruce, who claimed Comanche County as his home and was recognized as a good citizen. He passed away last year.

Although Miss Pearl does not draw an annuity, she has her "jewels" in the pupils she trained who have made outstanding success, such as County Commissioner Oral D. Morris, Precinct No. 1; Miss Mabel Hall, distinguished primary teacher at Sidney; Mrs. Otis Cox, former teacher of English and journalism at Comanche now filling a similar position at Sidney at her own choice so that she might be near her home; also Earle Parker, the popular family man and service station expert with Dudley Bros.

Miss Pearl says she personally has no gripe because she is not eligible for an annuity, but she wonders if the Legislature, which worked so long and hard on tax bills, and is being asked to come back for a fourth session to give the present teachers a raise, might not remember the left-out teachers who are now in their declining years; and at least give them part of this new money to take care of the teachers who worked for more than a quarter of a century at salaries too low to mention.

Doubtless there are hundreds of other deserving teachers like Miss Pearl, who are penalized just because they were born a little too soon, or quit teaching a little too quick.

Maybe some member of the Texas House or Senate, if and when, a special session of the Legislature is called, to provide more money for the teachers and the cause of education, will champion the rights of these neglected teachers, the results of whose work is still bearing dividends in the lives of the men and women they once taught.

We are still getting letters requesting more about Ike West's visit to Europe. The latest was received this week from Mrs.

Emil A. Hansen, the former Mamie King, now of Los Angeles.

So here is some more of Ike's story beginning with his crossing over into France.

That is enough about our little trip, and we will now continue with Ike West's description of his stay in Europe, which Ike has now finished, and is back home at Houston. Ike's story this week is about France. He says:

"I had to make a business trip to Paris, so wife and I decided to drive over in our Volvo car. We made this decision in order to get a close look at the country side, and to see what motoring was like in a foreign country.

"The car we drove is a small four-passenger Swedish make. Its full tank holds only 10 gallons of benzine, and we got about 40 miles per gallon. Gasoline costs about 50 cents per gallon in U. S. money. We left Denmark—Haug—that's the way most Hollanders write "The Haag"—early in the morning one September day. We drove through Belgium and North France, arriving at Bourget Airport, where Lindbergh landed in his "Spirit of St. Louis" on his famous flight in 1933, just in the outskirts of Paris, about 5 p.m. This distance is about 300 miles.

"The highway was good, but narrow, by our standards. Most of these roads have been in existence in about the same location for hundreds of years.

"For many miles through Belgium and France, the road was lined on each side with tall horse-chestnut trees, giving the appearance of a long shady lane. The farmers were harvesting their hay and beet crop. The heavy carts they use, are drawn by one large Belgian type horse, the like of which you have seen in the movies.

"All the countryside is heavily populated and the many small towns and villages made for slow travel, but was very interesting for us.

"We passed through Brussels, which is one of the most colorful cities of Europe. The World's Exposition was in progress at the time, but we did not stop for that as we already had visited it. We will describe our trip there in another chapter.

"We failed to see the right traffic sign and missed the loop around the city. We became lost (To Be Continued Next Week)

Why let excess weight shorten your life . . . ruin your appearance . . . hamper your success and happiness?

Now...losing weight is as easy as chewing gum! REXALL SLIM-PAC

You simply chew a piece of pleasant-tasting Slim-Pac gum 15 to 20 minutes before each meal . . . your appetite is safely reduced . . . you're satisfied with less food, and ugly, dangerous pounds begin to melt away.

YOUR APPETITE IS ALL THAT STANDS BETWEEN YOU AND NORMAL WEIGHT . . . AND SLIM-PAC SAFELY REDUCES IT

Slim-Pac contains a harmless but effective appetite depressant that will curb hunger as your appetite adjusts to new eating habits. You've probably been overeating for a long time, filling your stomach with extra, unneeded food. If so, your appetite has probably become adjusted to overeating. It no longer tells you when you've had enough calories, when to stop eating.

With SLIM-PAC you will easily and quickly accustom yourself to eating less than your body requires. This "under-eating" won't hurt you a bit. Your body will simply draw the food energy it needs from excess body fat - and YOU WILL BEGIN TO LOSE WEIGHT.

LOSE AS MUCH OR AS LITTLE AS YOU WANT. YOU CHOOSE THE PLAN BEST SUITED TO YOU.

Your wisest diet will deny only enough food to allow a weekly

weight loss of 2 to 3 pounds. The correct diet for you depends upon how many calories you need to perform your daily routine. This varies according to age, sex, activities, height and actual overweight.

You get 3 suggested diets from which to choose, and you get to eat the foods you like. However, you should never decide on a stringent diet without first consulting your doctor. Slim-Pac gum will safely cause you to want less . . . and the multi-vitamin capsule will help maintain normal energy and pep!

YOU LOSE WEIGHT WITHOUT NERVES . . . WITHOUT JITTERS . . . WITHOUT HUNGER

With the Slim-Pac gum safely curbing your appetite, the Slim-Pac multi-vitamin capsule helping to maintain your vitality and pep, and the sensible Slim-Pac diets giving you enough food for your needs, you escape the nervous, depressed, and washed-out feeling so common to extreme and unaided dieting.

SLIM-PAC DISPENSER contains • appetite-reducing gum, and • multi-vitamin capsule, in handy purse-size package plus the flexible diet plan

SLIM-PAC CAN GIVE YOU THE FINEST NATURAL INTEREST, NO CRASH DIETING . . . NO STARVING . . . NO MONOTONOUS EXERCISE

It's foolish, and actually dangerous, to go through life misshapen and unattractive, short of breath, uncomfortable in our clothes, ashamed in public and miserable in private, while the success and happiness we should have slips through our pudgy fingers. SLIM-PAC makes it all so unnecessary . . . so safe, so easy to change. START TODAY on the life you were meant to have!

REXALL SLIM-PAC IS GUARANTEED TO GIVE SATISFACTION OR MONEY BACK Available only at Rexall Drug Stores
